ASSOCIATE MEMEBER SPOTLIGHT: SEALOCK

Ray Fernandez | Sealock Security Systems

Sealock Security Systems' innovative container security solutions and supply chain management solutions make us a strategic partner with retailers, shippers, logistics providers, and other members of the global trade community. Our focus is on sharing best practices and utilizing advanced container security technology to tighten supply chain vulnerabilities and reduce break-ins.

We are honored to work with the Supplier Compliance Audit Network (SCAN) and its first-of-its-kind program to standardize the supplier security audit process for more efficient risk evaluation and management.

Sealock's industry-leading lineup features ISO 17712:2013 Clause 6-Certified and CTPAT-compliant hybrid security devices that both seal and lock cargo containers.

All products can be supplied directly from Sealock's Miami, Florida and Ningbo, China operations. For information on how to order seals, please visit sealock.com.

Don't miss Sealock's report on protecting the supply chain! Available now on the SCAN website on the News/Events page.
