YOU CAN GET INVOLVED!

The SCAN Association has many committees and always welcomes new committee members to participate and help us continue moving forward.

Committees available:

Audit Management
Membership & Public Relations
Audit Service Providers
Information Technology
Logistics Service Providers
Foreign Origins

You can read about each of these committees in the "About, [SCAN Committees](#)" section on the SCAN website and/or reach out to: info@scanassociation.com to join.

FACTORY CORNER

Attention all factory/supplier users!

SCAN is excited to announce that we will be conducting free online training sessions, in June and July, on how to conduct a **7-point container inspection** correctly.

If you or your colleagues are interested in learning more about this training, please email us at scan@scrisksolutions.com for additional information.
